GOING TO LA. . .

Brian Gottfried, the other half of the Gottfried-Raul Ramirez doubles team which won the U. S. Professional Doubles last weekend at Woodlands, said they were heading to Los Angeles for another tournament. He was leaving the press center.

Ramirez-Gottfried had just won a four-set final over Australia's Phil Dent and Allan Stone, 6-1, 6-4, 5-7, 7-6 on an indoor court before perhaps 2,000 Houstonians.

Earlier, Tom Gorman, early round loser with partner Lito Alvarez, of Argentina, to Lakeway's Cliff Drysdale and Australian Syd Ball, said LA competition would include "everybody," meaning Conners, Orantes, Nastase and Tanner, except Sweden's Bjorn Borg.

He made the comment in asides in the lockerroom after a practice session with Ramirez-Gottfried, Arthur Ashe and Stan Smith, all of whom lost in earlier rounds.

It was another in Texas tournaments attracting the best for a $30,000 first prize and $100,000 for the field.

So with World Championship Tennis at Lakeway and Dallas, an upcoming Houston Summit of comparable talent and this U. S. Pro Doubles event, Texas is vaulting into a dominant role in world tennis.

At LA, it is safe bet they'll talk about Texas.

117-117-117

Publisher Glen Sedam and wife, board chairman emeritus of Texas Press Association, were there, viewing two days of the best doubles any eyes had seen in indoor Texas tennis for years. He is a tennis buff, of course, who keeps fit on the courts around Bay City.

117-117-117

A REAL FRONTIER

Your Herald institutes a series of essays on "Oceans: Our Continuing Frontier" in the Monday edition.

At first glance, it may seem peculiar that a landlocked Central Texas newspaper should devote much of a page a week to the sea.

But think about it: Texas has one of the few oceanography schools in the country at Galveston, a part of the A&MU system. Texas has as much, if not more coastline than any state, including California, Florida or Alaska.

Texas has the fifth largest city, Houston, which is the third largest seaport. And Texas' oil industry is sending oil rigs to sea around the world and out into the Texas Gulf to drill.

Texas as the second largest agriculture state, trailing California, ultimately will use that coastline for farming sea crops like shrimp, beyond the standard fishing industry and sport out of Texas ports.

Texas plains all the way to New Mexico and Arizona once were under what is now the Texas Gulf, leaving the geology for the lignite in Milam County now causing regeneration of recent industry and addition of new industry.

The Little River flows into the Brazos River which flows to the Gulf, connecting us directly to the sea, which promises solution to food and fibre problems someday if we don't pollute it.

And in a hundred other ways, the sea supports those on land, seven-eighths of which is underwater on this globe.

Again, it is a series funded by the National Endowment for the Humanities, the third carried by your Herald since January 1.

It is part of Herald philosophy, which says the newspaper is a means to education for everyone, not just in the statistics of life and death, of local lore and legend, but a means to establishing a relationship with the macrocosm, even land-locked Milam County with the sea.

Highway Project Due Start

Contracts will be let by the Texas Highway Department in November for the reconstruction of Highway 36 from the Santa Fe Railroad overpass in Cameron to the intersection of 36 and 77, it was announced at a city council meeting Tuesday evening.

Another highway department project, which proposes to spend $100,000 on Cameron streets, will have contracts let in February. That project involves the reconstruction of Fannin St., 22nd St., and Industrial Road.

In a latter to the city, the highway department asked for relocation of some water and sewer lines along Highway 36. Streets Supt. Alvin Hefft was authorized to get bids on needed material. Plans are to install an 8 or 10 inch water line along the highway for use of businesses in the area.

In other business, council voted to take out insurance on the volunteer ambulance drivers and attendants at a cost of about $1,200 a year. Council tabled taking out insurance on public officials and employes which would cost about the same or more.

Paul Olbrich, director of the city's housing authority, and E. L. Wied, director, asked the council for relief from the increased garbage and sewer rates for the housing units. A committee of Gene Lumpkin and Ernest Moore will study the problem and report at the next meeting.

City accepted a grant of $61,000 from the Federal Aviation Administration for work on the Cameron Airpark. The city's share of costs will be $8,426.

On reduced speed limits for highways leading into Cameron, the Highway Department will conduct a study when possible, according to the district engineer's report.

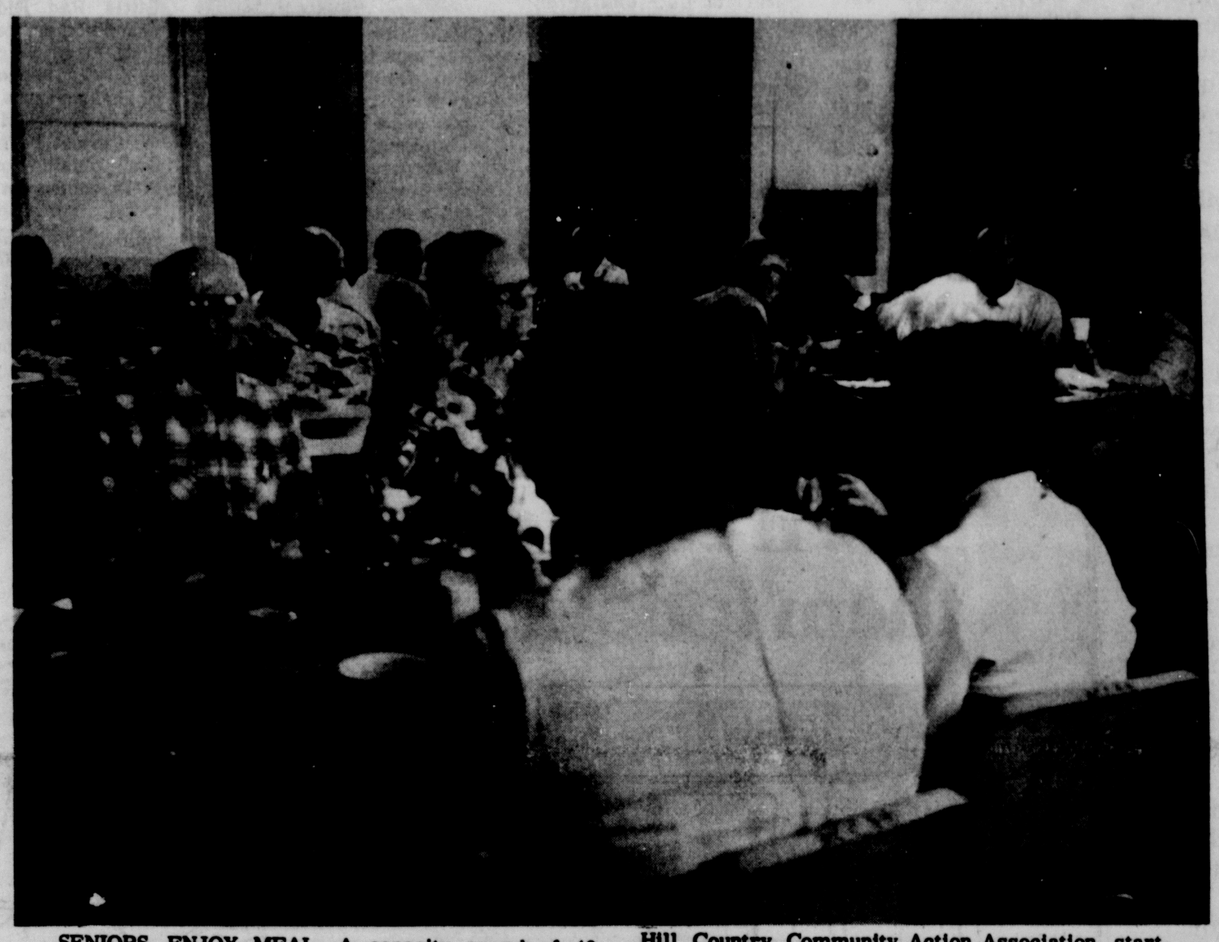

Council heard that Bell Telephone will put its lines underground in the Green addition before the paving goes in. The company also asked the city to assume collection of phone bills for $185 a month when its downtown office closes. Vote was 2-1 to accept the proposal, with Councilman Moore abstaining and Lumpkin voting no.

Monroe Fuchs reported on the volunteer ambulance with a proposal to place the service on a cash basis.

The council also told Code Inspector Ed Bigbee to do whatever is necessary to see that electricians, plumbers, and builders comply with ordinances.

Police Chief Kent Butler was authorized to place a radio in his personal car, and permission was granted to have one of the city officers use a police car to travel to Temple for police schooling.

A problem of high light bills for the new tennis courts at city park was discussed, with information that the light bill averaged $280 a month for a period of five months.

SENIORS ENJOY MEAL--A capacity crowd of 40 senior citizens are enjoying daily hot noon meals at the Cameron Community Action Center in O. J. Thomas Park. The program, sponsored by the Hill Country Community Action Association, started Monday and interest in the hot noon meal is growing, according to Mrs. Vivian McIntyre, center director.

Fund Drive Continues

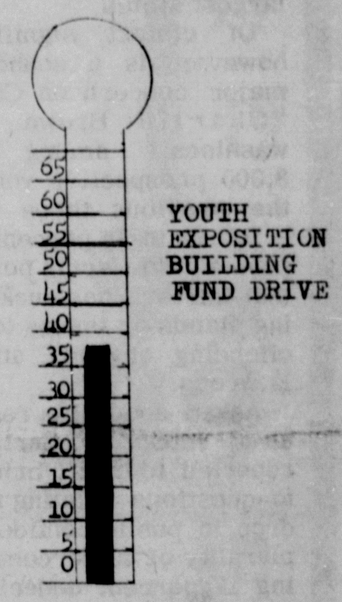

The Milam County Youth Exposition Building Association has reported more than $36,000 is now in a building fund to construct two metal exposition buildings in downtown Cameron for Milam County youths.

The amount includes $4,000 which has been raised locally through county citizens and merchants by a building fund drive. The special drive started Sept. 13 and will end Sept. 25. The projected cost of the project is $65,000.

Donors include: Mrs. B. F. Grimes in memory of B. F. Grimes; E. L. Wied Hardware; A. W. McCullin family; Dr. Tommy Barton; Milam Building Center; St. Edward Hospital; Milam Grain Co.; Farm and Ranch Store; M. G. Cox Estate; Schiguts Department Store; Anderle Lumber Co.

Also, Western Auto, Schiller Pharmacy, Mrs. John Henderson Sr., E. A. Bigbee, Theo Aschenbeck, Gelner Blacksmith, Mildred Thornton, Ira Canady, Edwin Adams, W. C. Rodenbeck Jr. R&R Electric has donated the electrical materials at cost and most of the labor.

To kick off the drive, Ideal Hatcheries of Cameron and Coca Cola Bottling Co. of Cameron each pledged $1,000. The Thorndale State Bank gave $500.

Demos Re-Elect State Chairman

By Forrest Guess

Texas Democrats assembled in Fort Worth, September 17-18 in the Tarrant County Convention Center to choose their state chairman and to map out strategy for the upcoming elections.

Calvin Guest, a Bryan banker - businessman won reelection to the state chairman's position after what many called a dead heat from Lufkin attorney John Henry Tatum.

Guest won the roll call vote 1,948 to 1,345. Guest had only expected to beat Tatum by 100 votes.

Guest gained support from the AFL-CIO and Governor Briscoe to salvage what many called a very real challenge from the liberal supported Tatum.

Although the 603 vote victory came as a pleasant surprise to Guest, his work will be cut out for him as he chairs the first liberal State Democratic Executive Committee (SDEC).

The liberals and moderates will outnumber conservatives better than 2 to 1. Liberals had a net gain of 6 seats on the 62 member SDEC (one-half of which are women). The number of liberals number 28, with 16 moderates and 16 conservatives.

Guest said that he was surprised by the change-up and that his victory could be contributed to hard work on the part of the AFL-CIO president Harvy Hubbard. And a last minute plea from Dolph Briscoe in a moderate - conservative caucus which was held only a short time prior to the vote.

Although the election of the SDEC and chairman were top list priority of the second convention of the year, issues dealing with the state platform were also voted on.

A 16 page platform was submitted to the convention after the election of Guest and the vote of acceptance was given by a voice vote.

The state platform didn't take a strong stance on several key issues and some of the liberals on that committee failed in an attempt to add a plank that would support the deletion of a person's name on the back of a written ballot.

The issue was brought before the entire convention in the form of a minority report that could have added the plank to the platform. On a voice vote the measure failed.

With the resolutions that have never made their way to be heard by any democratic convention still were not brought before the convention. A motion was made to adjourn the two-day session and with a voice vote State Agricultural Commissioner, acting as temporary chairman, declared the convention closed. The resolutions will only be filed and left for future approval.

The next state Democratic Convention will be held in two years.

From Senatorial District 18 which includes Milam County, Temple lawyer and mayor Bill Courtney was reelected to serve on the SDEC along with Carrin Patman, the wife of Senator Bill Patman.

Forrest Guess of Cameron was selected to serve on the State Democratic Permanent Platform Committee.

Gause Clinic Set To Test Blood Pressure

The Gause Community and the Milam County Chapter of the American Heart Association are sponsoring a High Blood Pressure Clinic Saturday, September 25 at the Gause Community Center from 10 to 12 a.m.

Anyone needing a ride may call Mrs. Alonzo Edwards, 279-5872, Mrs. Wiley Kirk, 279-3750; or Mrs. J. V. Reed, 279-5683, and they will dispatch a car.

Millions of people have high blood pressure. Untreated, it helps kill 250,000 a year. It often has no symptoms, and it can lead to stroke, heart failure, or kidney disease.

The odds are 1 to 7 that you have high blood pressure if you are over 18; and 1 to 3 you have it if you are over 50 years of age or black.

Blood pressure can be checked quickly and without pain. And blood pressure can be treated often just by taking medication prescribed by your doctor.

Arts, Crafts Fair To Benefit County Museum

An arts and crafts fair to benefit the Milam County Historical Museum will be sponsored by the ladies committee of the Cameron Area Chamber of Commerce in Cameron city park on October 9.

The museum will open that day with three rooms of displays ready for visitors.

Hours for the fair will be from 10 a.m. to 6 p.m.

All art media will be represented. There will be food booths, drinks, a children's corner, and entertainment.

Persons wishing to exhibit art may write Barbara Smitherman, Drawer 432, Cameron 76520.

All proceeds from the fair will be donated to the new museum.

Library Friends Fund Raising Below Needs

Cameron Friends of the Library are asking all persons who received a fund-raising letter to please turn in their contributions to the library to help bring the total to $1,500.

Mrs. Perry Holder, Friends chairman, said so far only about $800 has been collected and the organization has pledged at least $1,200 to the library for the coming year.

Mrs. Holder said about $22 was raised from a used book sale held recently.

She said the organization has expended its entire reserve and needs the funds for work during the year.

She added that if contributions come in at a good rate, a telephone campaign will not be necessary to raise the remainder of the funds for the library.

Rockdale Men Charged In Two Stabbings

Two Rockdale men were charged in separate stabbing incidents in Rockdale Friday and Monday. One of the stabbings was fatal.

Murder charges were filed Monday against a Rockdale man, Renaldo Rubio, in the stabbing death of Roland Lerma, also of Rockdale. The incident took place at 4:45 p.m. Friday at the American Legion Hall in Rockdale.

Bond was set at $7,500 for Rubio and he was placed in Milam County Jail.

Another stabbing incident occurred at 12:25 a.m. Monday at the Tin-Top Night Club in Rockdale.

According to Police Chief Felipe Martinez, Furman Brooks of Rockdale was treated and released from a local hospital after the stabbing.

Arrested and charged with felonious assault was James Earl Maloy of Rockdale. His bond was set at $2,500 and he was placed in the county jail.

Traffic Mishaps Injure Woman, Truck Driver

Two persons were slightly injured in separate accidents Monday, one within the city limits of Cameron and the other near the Falls County line.

Mrs. Albert Michalka of Cameron was treated for a cut on her elbow around 12:30 p.m. when her car struck a train at the 5th St. crossing Cameron. Her daughter Jill was not injured.

DPS Trooper Scott Douglas investigated the other accident which occurred at 2:45 p.m. five miles north of Ben Arnold.

A tractor - trailer rig driven by Samuel J. Crittenden Jr. of Burton went out of control and the tractor portion of the truck went over the side of a bridge to a creek below.

Crittenden was treated for minor injuries at a Rosebud clinic. The large van-type trailer blocked traffic on Highway 77 and traffic was rerouted around on a farm road. The truck belonged to Texas Fiber Co. of Dallas.

Tractor Pull To Benefit Building

A tractor pull Saturday and Sunday, Sept. 25 and 26, will benefit the Youth Exposition Building fund and will be held in conjunction with a farm machinery show at Ledbetter Park.

On Saturday there will be four classes pulled -- 5000 pound open, 7000 pound stock, 9000 pound open and 12,000 pound stock. On Sunday classes will be 9000 pound stock, 7000 pound open, 15,000 pound stock and a special 18,000 pound stock jackpot.

The Saturday pull will be at 8 p.m. and the Sunday pull at 3 p.m.

Herald Starts 'Oceans' Series

"Oceans: Our Continuing Frontier," will start another course by newspaper in The Herald in the Monday edition. This is another in a series of courses offered by the University of California at San Diego.

"Oceans" examines the whole range of human involvement with the sea. It shows through literature and paintings how man's perception of the sea has changed, and how through exploration at sea, scientists have changed man's understanding of the history of the earth.

The course also describes how society as a whole may be affected by marine pollution and by the extraction of food and minerals from the sea.

The importance of international law, naval power, and the merchant marine to the future use of the sea is stressed.

Finally, the course considers how the sea, as a place of both work and recreation, affects the lives of individual men and women, afloat and ashore.

The series shows that the future of our nation, and even our planet, is inextricably bound to the world's oceans.

The course is in six units, with units two through six offering three new subjects. The first unit, "Our Continuing Frontier," opens the series and sets the scene for other units.

The course will appear each Monday on the editorial page of The Herald.

Another Harold Wilson?

The Ford-Carter debates which begin Thursday night may allay some concern for Jimmy Carter's candidacy, but if not, he is indeed headed for trouble in November.

A Harris poll of six days ago shows the Georgian leading the President by 11 points across the nation, by 6 points (44 to 38) in the 10 largest states.

Of utmost significance, however, is a sounding of major concern on Carter's "Charlie Brown wishy-washiness" among almost 3,000 prospective voters in the previous three weeks.

By 49 to 34 percent these people told Harris pollsters that Carter "has ducked taking stands on issues to avoid offending anybody, and that is wrong."

Asked about this result in an AP interview, Carter was reported to have "bristled" to questions relating to this drop in public confidence, a plurality of 49 percent leaving 17 percent undecided in the test group.

This "most religious presidential candidate" is then apparently found lacking in the political courage to take stands, which in a way is a public condemnation of his display of private morality.

What may be worse, an overstatement of positions will require over-explanation of why he took so long to stand on major issues or to nail down alternatives exploited during the primaries.

Carter's inclination to rationalize is reminiscent of former British Prime Minister Harold Wilson, whose Labor government went down because he vacillated and qualified positions while economic disaster scourged England.

If the President is "Midwest plain," Mr. Carter may be too "cotton-pickin' clever" for his candidacy's good. It is one thing to rationalize for time to resolve, but it is quite another to rationalize until the numbers resolve for a candidate for no better reason than "wanting a change."

It is apparent that 49 percent of a valid sampling of prospective voters doubt that viability of the Carter candidacy. The same study showed McCarthy holding a 7 percent balance of this poll, about what Harris anticipated four months ago.

If Mr. Carter is trying to emulate John Kennedy, he is coming off a Harold Wilson, who also had the endorsement of labor, indeed as its candidate.

Things can improve for Mr. Carter, starting with positive positions on some of the 23 issues he has been studying the past several weeks. His problem is his kind of consensus leadership has grown hydra-headed, which is defined as "having many heads, hard to destroy."

Carter must speak to questions in these debates, however he does it, or the dogmatically conservative Ford will in effect let Jimmy "explain himself" to defeat.

"Low Down" FROM THE Congressional Record

By JOE CRUMP

(A Column for Readers Who Haven't Time to Review the Congressional Record Daily)

BILL INCREASES INFORMATION GLUT

Sean. Charles Percy (Ill.) ". . .I am very pleased to have my name added to the list of sponsors of S.3554, the National Neighborhood Policy Act.

"This legislation introduced by the able chairman of the Banking Committee (Mr. Proxmire) and our distinguished colleague, Sen. Garn, establishes a National Commission on Neighborhoods which will have 2 years to make as assessment of existing policies, laws, and programs that affect neighborhoods and to make recommendations. Among the many items to be considered are:

1. New mechanisms to promote reinvestment in existing City neighborhoods;
2. More effective means of community participation in local government;
3. Policies to encourage the survival of economically and socially diverse neighborhoods;
4. Policies to prevent blockbusting redlinging, resegregation, speculation in reviving neighborhoods, and to promote urban home-ownership;
5. Policies to encourage better maintenance and management of existing rental housing;
6. Policies to make maintenance and rehabilitation of existing structures at least as attractive from a tax viewpoint as demolition and development of new structures;
7. Modifications in local zoning and tax policies to facilitate preservation and revitalization of existing neighborhoods;
8. Reorientation of existing housing and community development programs, and other tax and subsidy policies that affect neighborhoods, to better support preservation objectives.

"I endorse the principle and substance of this legislation and strongly urge its prompt consideration by the Senate."

CRUMP'S GRASS ROOTS COMMENT

The information expected to be developed by the National Neighborhood Policy Act, is probably, without question, already available from the Department of Housing and Urban Development (HUD). For example, HUD's departments of Model Cities and Governmental Relations; Renewal and Housing Assistance; Metropolitan Development; and Mortgage Credit and Federal Housing (FHA) have "programs" to cover about every situation that might develope in a neighborhood.

Why take 2 costly years to gather duplicate information? And what happened to the Committee to reduce the flood of unnecessary paperwork?

Dateline Austin

State Spending Increases Over Decade

State spending has increased more than 50 per cent in a decade — even considering adjustments for population growth and effects of inflation.

Comptroller Bob Bullock's latest financial statement notes a threefold rise from $2 billion in 1967 to $6.2 billion in 1976.

Actually, inflation was responsible for 60 per cent of the growth, however.

In constant (1967) dollars, state spending has grown even more dramatically — nearly 80 per cent — during the last 10 years.

After adjustments for inflation, per capita expenditures (in constant dollars) rose from $194.44 in 1967 to about $297 in 1976.

Bullock's monthly financial statement reflected July state spending of $482.3 million. This brings the 1976 spending to a total $5.8 billion for the first 11 months of the fiscal year (that is through July).

July revenues were $600.2 million. Revenues through the first 11 months of the fiscal year totalled $5.86 billion.

The financial statement also projects continued inflation in food and fuel prices through the next year and cites an economist's forecast of a seven per cent increase in consumer prices through the first half of 1977.

Solid gains were reported in worker productivity during the last year — 4.4 per cent while unit labor costs rose just 3.4 per cent.

Plan Approved

Legislative Budget Board approved a plan to hire retired judges to screen cases and conduct settlement conferences in hope of reducing judicial appeals in Houston and Dallas civil courts.

The board also made appropriations recommendations for the judiciary, which included $35,000 and $36,800 salaries for district judges in 1978 and 1979 respectively (up from $32,800). LBB recommended $26,500 and $27,900 as standard pay for district attorneys.

At one point, the board considered wiping out the $600,000 budget of the Texas Advisory Commission on Intergovernmental Relations but decided to delay the move.

Corn Crop Up

Texas corn production may reach a record 161 million bushels, 42 per cent more than last year's previous high and seven million bushels above the August forecast.

Agriculture Commissioner John C. White estimated the yield per harvested acre at 115 bushels, a 12-bushel increase from 1975.

The sorghum yield is estimated at 53 bushels per acre, two bushels below the August estimate but one bushel more than produced in 1975. Production has been set at 318 million bushels, 56 million below last year.

The upland cotton crop is 31 per cent above last year. Production has been set at 3.13 million bales, with yield per harvested acre at 334 pounds.

White said peanuts in most areas suffered from the weather during August, but improved noticeably after showers fell late in the month. Production is projected at 491 million pounds — a 28 million pound increase over last year.

Southwest Conference meeting minutes are government records when held by a state school faculty representative, but portions dealing with identifiable individual students are exempt from public disclosure, Atty. Gen John Hill has held.

Persons holding offices of profit or trust (including school or special district trustees, city council members or law enforcement officers) are barred from acting as chairman or member of political party executive committees.

A member of the Dental Laboratory Advisory Board vacates his office when he moves outside the state.

Letters TO THE EDITOR

Dear Sirs:

I want to personally thank you for the coverage you gave Calvert when our city honored a native son, Mayor Tom Bradley of Los Angeles.

The newspapers, television stations, and radio stations did a superb job telling the story of what happened in Calvert, Sunday, September 12, 1976.

We are grateful to you.

Very truly yours,
Cooper Wiese

OLD PHILOSOPHER

Dear editor:

According to child psychologists, whose kids don't seem to turn out any better than other folks' kids, there's too much violence on television.

And if it isn't stopped, they say, there's no telling what's going to happen when the kids get out into life. One expert has calculated that the average child, sitting in front of a TV set several hours a day, will, by the time he's 14, have seen 18,000 murders on the various crime shows, detective shows, westerns, cartoons, etc., not counting what happened to Little Red Riding Hood's grandmother, or , if somebody forgot to change channels, what happened in some of Shakespear's plays.

Personally, I don't know what effect TV has on children, outside of increasing their comsumption of potato chips, and I have a hard time explaining Watergate when you remember the people guilty of it didn't have television when they were growing up, but a man I read about the other day has figured out a way to cut down on the amount of TV violence they watch, he thinks.

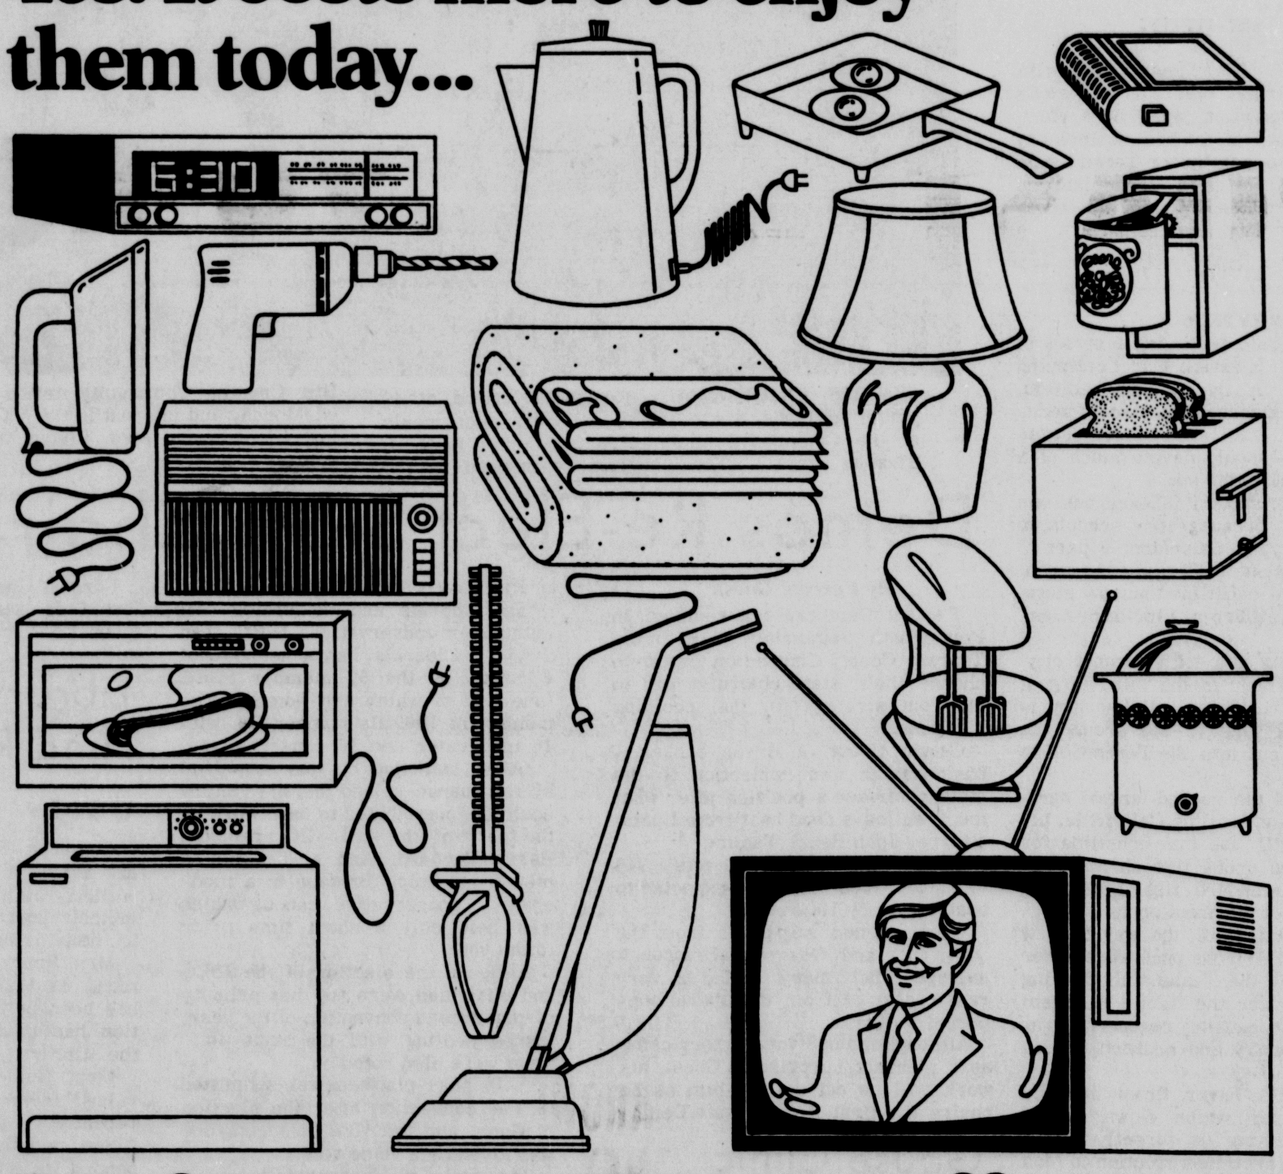

Noticing his kids sitting around glued to the TV set one Saturday morning when they should have been, had they been normal like he was when he was a youngster, out playing cops and robbers or cowboys and indians, he decided he'd make them earn the right to watch those cartoons, and save electricity at the same time.

What he did was mount a bicycle on a stand in the TV room, with the rear wheel off the floor, and rig up a belt from that going to a car generator, wired to a battery. Wires from the battery were connected to the TV set, as its only source of power. You want to watch TV? Get on that bike and pedal fast.

I have not heard how that guy's children are reacting to his scheme, newspapers have a habit of failing to follow through on a good story, but I have a notion they're over at a neighbor's house sitting on the floor with their friends eating potato chips and watching television.

Yours faithfully,
J. A.

Yes. It costs more to enjoy them today...

but from sun-up to sign-off (and all night, too), you get a lot for your electric dollar.

Even with today's higher electric rates . . . made necessary by the increasing costs of generating plants, fuel, equipment and other expenses . . . there are few things that give you as much for your money as electricity.

Hour after hour, day after day, electricity is at work in the home, on the farm, in businesses and industries and stores and schools, doing thousands of tasks and making your life easier, more comfortable and more enjoyable.

Add up the ways you use and benefit from electricity. Compare them with your cost. Isn't electricity still one of the best buys in your family budget?

A Weekly Report Of Agri-Business News

Compiled From Sources Of The
TEXAS DEPARTMENT OF AGRICULTURE
John C. White, Commissioner

Nuts For You (But Not Many) . . . Wheat Planting Progresses . . . Sheep, Lambs on Feed Show Increase.

A 60 per cent reduction in the Texas pecan crop for this year is forecast by the Texas Crop and Livestock Reporting Service.

The crop is now estimated at 27,000,000 pounds as of September 1. This compares with 68,000,000 pounds produced last year.

Texas is expected to account for about 25 per cent of the total U.S. pecan production compared with 28 per cent last year.

Nationwide, the pecan crop will be more than half below that of a year ago. A crop of 112,600,000 pounds is estimated; that is 54 per cent under 1975.

TEXAS FARMERS are busy planting and harvesting crops. Wheat planting has progressed rapidly on the Plains and other northern sections of the state.

Further south, cotton harvest is active. Sorghum harvesting is also active on the Low and High Plains.

Rice harvesting is nearly complete.

Corn harvest is active throughout the state and production is estimated at a record 161,000,000 bushels. This is 42 per cent above the previous high set last year.

Yield per harvested acre is expected to reach a record, too, of 115 bushels.

Cotton production for the state this year is 3,130,000 bales, down 8 per cent from the August 1 forecast. This, however, is still 31 per cent more than a year ago.

Yield is estimated at 334 pounds per acre, down 29 pounds from a month ago. It is, however, 41 pounds per acre more than the state average. Harvested acres estimate is unchanged at 4,500,000.

American-Pima cotton for Texas is forecast at 9,200 bales. This is unchanged from last month but is 19 per cent below a year ago. Yield is estimated at 421 pounds per acre which is a whopping increase of 82 per cent compared to 1975.

Peanut harvest in Texas is considerably behind the rate of last year. More than 10 per cent of the crop has been gathered, but a year ago about 25 per cent of the crop had been harvested.

Yield estimates are set at 1,600 pounds per acre, up 5 per cent from last year.

SHEEP AND LAMB FEEDING in Texas is on the increase. Texas drylot sheep feeders with a capacity of 2,000 head or more had 67,000 sheep and lambs on feed for slaughter as of September 1.

This is 8 per cent above the same month a year ago, but is 16 per cent below last month.

Current intentions to market the 67,000 head are: September 35,000; October 24,000; and November 6,000; another 2,000 will be marketed at a later date.

October and November intentions are incomplete since additional lambs could be placed on feed and marketed during those months.

Beef Producers Are In Crisis Situation Now

WACO

The president of the Texas Farm Bureau said beef producers are in a crisis situation now that may affect future beef supplies.

"There'll never be a better time for housewives to fill their freezers with bargain beef," the Dalhart grain and beef producer said.

"Many cattlemen will be forced out of business unless there is an upturn in cattle prices soon," said the farm leader.

"There's been a gradual decrease in cattle prices all summer, but the situation in the past three or four weeks has become disastrous," he said.

Chaloupka said there is a disappointing lag in the pass-through of lower prices at the retail level.

"However, beef is selling in the stores for about 13 percent less than a year ago. This is a real bargain, and we want to let the housewives know about it so we can move some of the present glut of beef off the market," he said.

The president of the 190-000 member general farm organization said that efforts are being made by Farm Bureau to bring "more efficiency and fairness" into marketing of beef.

"The American Farm Bureau Federation has asked Secretary of Agriculture Earl Butz for a step-up in ongoing investigations into factors affecting the farm price of beef," Chaloupka said.

"For example, we want to know whether or not labor unions are blocking the movement of boxed beef into markets, and if so, what affect is the blockage having on beef prices," the farm leader said.

Boxed beef involves the breakdown of beef carcases at the packing plant and packaging the meat cuts for shipment to retail outlets. It means a savings over shipping whole carcasses and reduces labor costs.

Labor contracts with meat cutter unions either prohibit or severly limit the movement of boxed beef into at least 12 major cities.

Another issue relating to labor unions involves labor contracts with meat cutter unions which prohibit the sale of meat after 6 p.m.

Insects Bugging Lawn Owners

By Bill McCutchen

Lawn problems are bugging many homeowners this fall. Those with St. Augustine lawns are plagued with "Brown Patch" which is a disease, and chinch bug problems.

Brown patch is characterized by three different symptoms in turf. The most common is a circular pattern of dead grass. The second symptom is a diffused pattern with small diffused patches of grass turning brown primarily in shady locations. The third type is where individual leaf blades turn yellow in turf. In all three instances, both the blades and leaf sheath may be easily pulled from the stolons because of deterioration in the attachment area.

Several fungicides are cleared for use in controlling brown patch. These include Benomyle, Terraclor BCNB, Maneb, Acti-Dione, and Daconil.

Chinch bugs are small, black insects that usually start in a spot or two in a lawn and continue to widen the damaged or dead area.

They are somewhat difficult to find for those that are unfamiliar with the pest. One of the more commonly used materials for chinch bug control is Diazinon in granules or liquid form.

Those homeowners with bermudagrass lawns aren't getting off free either. The fall armyworm is devouring bermuda lawns. This pest can readily be controlled with Sevin.

Fertilize Pastures

It's not too late to fertilize pastures. Good pastures can result in substantial reduction in the amount of hay and winter pasture needed.

What nutrients to include in the fertilizer depends on current soil levels and management planned for 1977. Phosporus and potassium for next year along with some nitrogen can be applied this fall.

This is especially true if gulf ryegrass and a legume are to be planted. Research date show tha best results are obtained when phosporus is applied prior to planting the cool season crop overseeded in a summer perennial grass such as coastal bermuda.

Maysfield

Mrs. J. P. Wise

Saturday guests of Mr. and Mrs. Harvey Radthe were his sister, Mrs. Mae Tate and her daughter, Mrs. Polly Barton of Irvine.

Danny Thweatt and Jim Reynolds of Houston visited Danny's parents, Mr. and Mrs. Dock Thweatt.

Mrs. Roy Newton received word of the death of Rev. Ellis Mosley in Fayettville, Ark. He died Saturday with burial in Fayettville. He is survived by his wife, Mary Newton Mosley and two sons, Mrs. Moseley is a sister of the late Roy Newton.

Jimmy Bearmon of Fredricksberg and Mrs. Myrtle Miller spent Thursday with her sister and husband, Mr. and Mrs. Harvey Radtke.

Mrs. J. P. Wise returned home Wednesday from Waco after several days visit with the Bill Sissoms.

Carl Cooper of Bastrop visited his mother, Mrs. W. C. Cooper, last weekend.

Mrs. Leota Thweatt spent the weekend with her son, Herbert and family in Pflugerville.

Mrs. Margueritte Massengale visited her children in Austin last week.

BIG SHOT—A shot fired in the backwoods of Penn's Southwest in 1754 touched off the last and greatest of the French and Indian Wars.

Sharp-Tracy

Mrs. Leroy Guillote

Weekend guests of Mr. and Mrs. D. L. Ellington were his son and family, the Hugh Ellingtons of Canyon Lake.

Mr. and Mrs. A. A. Biehle of Rockdale were guests of Mr. and mrs. Karl Hanke Friday night.

Mr. and Mrs. Lester Hanke and daughter, Mrs. Buck Glenn of Copperas Cove, spent sunday afternoon with Mr. and Mrs. Preston Schwartz.

Hunter Duncan is home after being a patient in the Veterans Hospital in Temple for a while.

Linda Coffman of Dallas spent the weekend with her folks, Mr. and Mrs. Howard Coffman.

Mr. and Mrs. Leroy Guillote spent the weekend in Fairfield with Richard and Jane Guillote.

Friendship folks in the hospital are: Mrs. Don Pruiett, a Temple hospital; Ernest Hodge in the Rockdale Hospital.

Linda Ellender accompanied her parents, Mr. and Mrs. H. J. Ellender to Houston Monday.

San Gabriel

The San Gabriel and Thorndale WMO ladies met each morning last week at the Baptist church at San Gabriel for their week of prayer programs for State Mission.

Visiting their parents, Mr. and Mrs. Guinn Gifford, during the week were Mr. and Mrs. Louis Gifford, Shannon, Aaron, and Tabatha; Mr. and Mrs. Charles Gifford, Kim, and Chuck; Mr. and Mrs. Curtis Breschanga, Royce, and Randal.

Mr. and Mrs. Jim Stewart spent the weekend in Caldwell with their children, Mr. and Mrs. Bobby Evans, Chandler, and Travis.

Mrs. Willie Simank, Mrs. Herbert Heine, Mrs. Jimmie Cain, and Mrs. Walter McDaniel attended a pink and blue shower for Mrs. Barry Block

Cattle Slaughter Urged To Bring Higher Prices

Cattlemen won't see higher beef prices in 1977 unless a lot of cows, non-fed cattle and calves are slaughtered this year, says one authority in livestock marketing.

Dr. Ernest Davis, a livestock maketing specialist for the Texas Agricultural Extension Service, says that despite the high levels of cow and calf slaughter last year, cattle numbers are still high.

"We still have 53.8 million cows, 11.2 million replacement heifers, and 96.7 million feeder cattle on hand in this country," Davis says.

He feels that at least 10 million cows, 5.8 million non-fed cattle, and 5 million calves need to be slaughtered in 1976 for Choice feeder cattle prices to reach the $50 per hundredweight level in 1977.

"If cattlemen don't reduce the cow herd by keeping up a high level of slaughter, beef prices in 1977 will be no better than prices in 1976," Davis predicts.

The main goal of cattlemen should be to cut feeder cattle availability by putting more cows, calves, and non-fed cattle on the market, says the Texas A&M University System specialist.

"Cattlemen need to be aware of the market situation and adjust their cattle supplies to meet market needs to keep prices up."

Davis says that even if the cattle suuply is cut back by 1977, there will still be beef price fluctuations caused by fluctuating feedgrain prices.

"If feedgrain prices go up, there will probably be more non-fed cattle slaughtered and lower beef prices this fall. on the other hand, if feedgrain prices fall, there should be more movement of cattle to feedlots, delaying marketings and resulting in higher prices during the fall."

Another situation that will have strong influence on fall cattle prices is the winter pasture conditions. With good winter pastures, fall stocker cattle prices will be stronger than present and potential spring cattle prices could be lower than expected ($47-$49 per hundredweight) due to the carryover of cattle this winter.

"If enough cows, claves, and non-fed cattle are slaughtered this fall, it means more beef on the market and lower prices for 1976. But is also means less cattle in 1977 and better prices," contends Davis.

Meat Production Increasing

Statistics for one summer month are showing up false rumors about the shortage of beef at retail.

Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service, says figures for the month of June show commercial red meat production was up 11 percent over last year's records.

"This larger meat production was brought about by a healthy increase in the slaughter of cattle, calves, and hogs," notes Uvacek.

Even though these are only June figures, they are representative of the slaughter levels for the first half of this year. For example, U.S. cattle slaughter during the first half of 1976 was up 9 percent from a year ago and calf slaughter increased 16 percent. However, the slaughter of hogs, sheep, and lambs was down.

"The average live weight increases on cattle and calves accompanied with an increase in the number of cattle slaughtered provided for an overall increase in red meat production," points out Uvacek. "The net result was a 50 percent larger red meat production in the U.S. for the first half of 1976. compared to a year ago.

While beef and veal production looks somewhat less plentiful in the second half of the calendar year, gains are expected in pork and lamb, notes Uvacek. Total red meat supplies will therefore be even larger during the next few months.

Buckholts

Mrs. Edwin Gandy

The showers that fell on Sunday slowed the farmers up on stripping their cotton.

There was a man from the Technical Research Service, National Cotton Council from Tennessee and two men from Pakistan, India who visited the Modern Gin on Friday on promotion of some new type of bagging.

R. B. Eickenhorst, who was a patient in King's Daughters Hospital for several days is able to be at home.

Melvin Allison is still a patient at the Veteran's Hospital in Temple where he had surgery last week.

Mr. and Mrs. Walter Junek as the proud grandparents of a baby girl born to Mr. and Mrs. Tommy Tarregrossa of Abilene.

Mrs. Helen Ship and her family from Gatesville visited with the Edwin Gandy family and Jo Loftin and her family last week.

Mrs. Jimmy Prater and children from Taylor visited her parents, Mr. and Mrs. W. E. Beckhusen last week.

Jo Loftin visited with Mr. and Mrs. H. L. Allison Jr. to visit their new baby girl.

Mr. and Mrs. Carl Tomascik, w ho are enrolled in college at Stephenville, were home over the weekend with his parents, Mr. and Mrs. Frank Tomascik.

Joe Zawdzje, who was a patient in Scott and White, was brought home and stayed a few days and he was carried back to the hospital on Monday.

Mrs. Evelyn Loftin visited her father, N. W. Gandy Sr. of Temple on Sunday.

Mr. and Mrs. Marvin Weido visited friends here over the weekend.

Gladys Svetlik and Mrs. Doris Bean and son visited their sister and family of Coleman over the weekend.

Mr. and Mrs. Dean Steward and son of Houston visited her parents, Mr. and Mrs. Calvin Allison over the weekend.

We are glad to say that Johnny Fuchs is home from the hospital and is able to get around.

Oil, Gas Permits Showing Increase

Applications for permits to drill oil and gas tests in Texas totaled 12,986 for the first 8 1/2 months of 1976, up from 11, 475 for the same period in 1975.

Year-to-date applications to drill, deepen, plug back and for service wells totaled 15,067 against 13,736 a year ago, the Railroad Commission's Oil and Gas Division reported in its semi-monthly drilling report.

The report showed 19 oil discoveries and 48 gas strikes were completed in Texas during the Sept. 1-15, 1976 period.

Gerry Prazak, Area Editor

MARRIED--Mr. and Mrs. Emil Beck of Boling announce the marriage of their daughter, Patsy Jean, to William Lawrence Calcote, the son of Mrs. W. L. Calcote of Lufkin. Patsy is a 4th grade teacher in the Cameron Independent School District and William is an inspector for the Texas Department of Agriculture.

Programs Continue On Home Repair

The series of programs on home repair and maintenance is being continued in Gause and Davilla this next week. The program in Gause will be given on Wise Up-Tighten Up. With he high cost of energy now days homemakers and homeowners are looking for ways to cut down on the cost of energy. One way to do this is inexpensive home repairs that you can do with a minimum of equipment, skills, time, and money. This program will be presented in Davilla at the Davilla Community Center on the Bartlett Highway on Oct. 7 at 8 p.m.

On Sept. 30 the program in Davilla will be on Selection of Paint and Repair of Plaster Walls. As part of a special program that night a series of slides that were made at the Davilla "You Can Do It Series" last year will be shown. This presentation will be at 8 p.m. at the Davilla Community Center.

In addition to this series there is a supply of approximately 30 bulletins on Home Maintenance and Repair that are available free from our office to anyone that is interested. If you would like all or part of this series, please contact our office at P.O. Box 708, Cameron, TX 76520, or 817-697-3382, or 107 N. Central in Cameron. These bulletins are free for the asking.

Beef Recipes In New Book

AUSTIN--The new Texas Grain-Fed Beef Cookbook has been published by the Texas Department of Agriculture, according to Agriculture Commissioner John C. White.

The booklet contains recipes on choice and inexpensive cuts, casseroles, appetizers, variety meats and leftovers. It also describes methods of selecting and preparing meat.

For a free copy write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

MUCH DENSE FOG is merely a fine accumulation of mist on your windshield.

Happy Anniversary

Mr. and Mrs. R. T. (Pat) Delahunty will celebrate their 50th wedding anniversary Sunday, Sept. 26. Friends are invited to enjoy cake and punch with them from 3 to 4 p.m. at the Cameron Nursing Home.

Homemakers Attending H D Meet

Ten local homemakers from Milam County are attending the 50th anniversary celebration of the Texas Home Demonstration Association during its annual statewide meeting Sept. 21-23 on the Texas A&M University campus in College Station.

Delegates from Milam County are Mrs. L. E. Oary of the New Salem Home Demonstration Club in Rockdale and Mrs. Frank Hanel of the First Cameron Home Demonstration Club in Cameron.

Other members attending include, Mrs. O. M. Brockman, chairman of the Milam County Home Demonstration Council; Mrs. Preston Perry, County THDA chairman; Mrs. Wavy Charles; Mrs. Clyde Holliman; Mrs. Marie Whiteley; Mrs. E.M. Noack; Mrs. C.P. Beard Sr.; Mrs. Enoch Caffey; and Chirs Holcombe, County Extension agent.

Mrs. Clyde Holliman is the newly elected District THDA director and will be installed following the banquet.

Highlights for the 50th anniversary include a proclamation by Texas Governor Dolph Briscoe designating the week of Sept. 20 as "Texas Home Demonstration Association Weeek" the casing of a souvenir medal in bronze, and the statewide meeting during which Home Demonstration Club members will present a two-hour historical review.

Meetings

Pleasure & Profit

The Pleasure and Profit Club launched it's 1976-77 club year Thursday, with a meeting in the home of Christine Holcombe.

Sylvia Titsworth, outgoing president, called the meeting to order. Incorporating the club collect and club motto as a theme, a presenting a beautiful long stemmed red rosebud to each candidate, she installed the following slate of officers for the new year: Jean Tumlinson, president; Fannie Jackson, vice-president; Jackie Clark, secretary-treasurer; and Maurice Heitman, reporter-historian.

New yearbooks were presented by Jackie Clark.

Chris Holcombe presented a fact summary of the proposed livestock exposition barn. The topic then turned to the forthcoming opening of our Milam Co. Museum and and the many needs.

The hostess served a salad plate with iced drinks to those present.

Leontyne Price To Appear In Concert

A cultural highlight of Trinity University's fall season will be a solo recital by famed American soprano Leontyne Price. The performance will be Oct. 23 at 8:30 p.m. in Laurie Auditorium.

Tickets for Miss Price's only performance in Texas this year are available in Laurie Auditorium Rooms 315 and 317. Tickets are $6.50, $7.50, and $8.50, all seats reserved. Call 512-736-8119 for more information.

Minerva Homecoming

The annual Minerva homecoming will be held at the Minerva Community Center Sunday, Oct. 3.

Everyone is invited to come and bring a basket lunch.

Hanover Homecoming

The homecoming at Hanover will be held Sunday, Sept. 26. There will be singing and a picnic lunch at noon.

Seasonal Fruit Desserts Featured

A Peach Of A Dessert

Calling someone a "peach" means that someone is pretty special. A "peaches and cream" situation couldn't be better. Peach Gelatin and Cream is a pretty special, "couldn't be better" dessert.

New Jell-O peach gelatin is a natural companion for vanilla ice cream. Light yet satisfying, beautiful to behold but deceptively simple to make, this is the kind of dessert that can be dramatized for guests or simplified for family fare. Unadorned, as pictured, it is shimmering sunshine captured in clear glass. If dressed up with a garnish of prepared whipped topping and raspberry jam, it will tempt the most sophisticated palate.

Peach Gelatin And Cream

1 package (3 oz.) Jell-O peach gelatin
1 cup boiling water
1 cup cold water
1½ cups vanilla ice cream

Dissolve gelatin in boiling water. Add cold water, and chill until slightly thickened. Scoop ice cream into 6 dessert dishes, using about 1/4 cup for each. Spoon gelatin over the ice cream. Chill until firm, about 2 hours. Makes 3-1/2 cups or 6 servings.

Old Fashioned Pear Slump

Juicy fresh Western Bartlett pears, simmered with fluffy tender dumplings and topped with warm nutmeg sauce, bring visions of old country kitchens with their wondrous aromas. Tempt appetites all through dinner while cooking this delightfully fragrant dessert.

Pacific Coast Bartletts are perfect for this dish because you need only to slice and core them. The peel is so tender it can be left on for added flavor. Cinnamon and nutmeg are natural choices with pears for they enhance the spiciness of the fruit. Look for fresh sweet Western Bartletts in the market from now into November.

Fresh Pear Slump

6 cups sliced fresh Western Bartlett pears
1 cup sugar
1 teaspoon cinnamon
2 tablespoons butter
¼ cup water
1½ cups biscuit mix
½ cup milk

Slice and core pears, do not peel. Bring pears, sugar, cinnamon, butter and water to boil, covered. Turn to low heat. Mix remaining ingredients together. Drop by spoonfuls on pears. Cover and cook on low heat about 30 minutes. Serve warm with Nutmeg Sauce. Makes 6 servings.

NUTMEG SAUCE: Combine 1 cup sugar with 1 tablespoon flour. Stir in 1 cup boiling water. Cook until slightly thickened. stirring constantly. Add 1 tablespoon butter and simmer 5 minutes. Remove from heat and add nutmeg. Serve warm over Fresh Pear Slump.

BIRTHS

To Mr. and Mrs. Lee Roy Doskocil of Clarkson, a boy, Christopher Joseph, 7 pounds 11 ounces, born 7:55 a.m., Sept. 13 at Halbert Hospital in Rosebud. He is welcomed by two sisters, Lee and Wendy, and one brother, Dennis.

Grandparents are Mrs. R. V. Doskocil of Westphalia and Mrs. Z. T. James of Rosebud.

To Linda and Troy Wayne Fikes of Rosebud, a boy, Larry Wayne, born Sept. 13 in Rosebud. He is welcomed by a sister, Brandi LeAnn.

To Mr. and Mrs. Donny Mikulec, a boy, Heath Jason, 7 pounds 11 3/4 ounces, born 6:15 a.m. September 16 at St. Edward Hospital.

Grandparents are Mr. and Mrs. I. J. Mikulec and Mr. and Mrs. John M. Chubb, all of Cameron. Great grandmothers are Mrs. Charles Chubb Sr. of San Antonio and Mrs. Mildred Kassl of Chicago.

To Mr. and Mrs. Michael Kirk of Cameron, a girl, Mandi Gayle, 7 pounds 9 ounces, born at 6:11 a.m., Sept. 19 in St. Edward Hospital.

Grandparents are Mr. and Mrs. Porter Young of Cameron and Mrs. Joy Kirk Black of LaPorte. Great grandparents are Mr. and Mrs. Cecil Armstrong of Cameron and Mrs. Grace Young of Taft.

The Kitchen Almanac

Here's a sunny sundae — Mix one-half cup of peanut butter with one-half cup of honey. Spoon the mixture over two scoops of vanilla-chocolate ripple ice cream. Top with whipped cream and crushed peanuts.

* * *

Eat a raw apple for a low calorie snack or dessert . . . Grate some grapefruit rind and add about one-half teaspoon, some fresh grapefruit juice and herbs to a butter sauce for fish. It's tart and delicious!

* * *

When selecting frozen foods for storage in your freezer, choose only quality products. Freezing can maintain quality, but does not improve it.

* * *

For a great spread on toasted English muffins, try this: mix cream cheese, chopped olives, minced onion, salt and pepper and chopped parsley.

OJT Splits Wins With Belton

O. J. Thomas seventh and eighth grade teams split wins with Belton and the eighth grade Young Yoemen won 7-0. For the seventh it turned out to be a long night with the Big Red winning 31-0.

The 7th grade now stands 1-1 for the season after winning their opener. The 8th grade are also 1-1 after their win against Belton.

In the 7th grade game Belton scored twice in the first quarter and again in the second. By the half the Belton Tigers had gained a 22-0 lead.

In the third quarter Belton again scored and took the 30-0 lead that they maintained throughout the 4th stanza.

The only real OJT threat came in the first quarter when the Young Yoemen drove to the Tigers 30. With the Young Yoemen in position to score Belton recovered a fumble.

Defensive standouts included Bill Huffman, Rufus Floyd , and Jimmy Brown.

It was a sweet victory for the OJT 8th graders as they scored their first victory of the season.

In the first half both teams were in a defensive standstill and it looked like neither team would be able to push across and score.

The first half ended 0-0. In the second half the Young Yoemen began to find success with their offensive passing game.

Late in the third quarter Rusty Crummer took the option play from QB Alan Sapp and side stepped his way 60 yards for the TD. James Mondrik added the extra point and the OJT 8th gained control over the visitors turf 7-0.

In the 4th quarter Alan Sapp connected with Jasper Harden for a 50 yard pass.

With the time running out the Young Yoemen were unable to push across the magic line and the buzzer sounded with the OJT team knocking on the 4 yard line.

Defensive standouts according to Coach Roger Williams included Rusty Crummer, Rodney Fincher, Harlen Short, and Casey Stanislaw.

Both OJT teams will see action at home this Thursday against Rockdale.

Tigers Win Over Yoe JV

The Belton JV was able to win a see-saw battle over the Yoe JV in football action here last Thursday evening. The Tigers captured the win in the final two minutes of the game, 20-14.

Belton opened the scoring on a blocked punt with 3:14 remaining in the first quarter, after the Big Red defense crashed the Yoe offensive line. The two point conversion try was successful and the Tigers led 8-6.

With 10:43 in the second quarter the Yoe JV started a drive that culminated in a TD six plays later.

With 9:00 on the clock in the first half Edward Steamer broke open on a 33 yard run for the Yoe TD. The 2 point conversion attempt failed and the Belton Tigers remained in command, 8-6.

During the third quarter Belton and the Yoemen exchanged fumbles. The Yoe fumble left the Tigers in good field position sitting on the 12.

Belton scored from 1 yard out with 2:37 remaining in the third stanza. The PAT attempt failed and the Tigers led 14-6.

On the very next offensive series for the Yoemen, Connie Green connected with Lawrence Lowe for a 59 yard TD pass with only one minute remaining in the quarter. Green then connected with Edward Johnson for the successful two point conversion.

The see-saw battle was again knotched, 14-14.

The Tigers began an offensive threat in the final stanza but on a fumble the Yoemen recovered to stop the threat.

In 10 plays the Tigers marched the field 73 yards for the winning touchdown.

Belton Frosh Defeats Yoe

A powerful Belton offense was able to come back from behind last Thursday and defeat the Yoemen freshmen 23-7 at Yoe Field.

The Yoe defense held Belton on downs in their second offensive series early in the game Thursday and forced them to punt on a 4th down and 21.

Tim Mitchan took the ball on the return and dashed 48 yards when he found a wall of blockers for the Yoe TD with 1:15 remaining in the quarter. Chris Riola booted the extra point to give the Yoemen a 7-0 lead.

The Yoe lead held until the second quarter.

After the score Belton took the kick off and marched down the field to score with 7:32 remaining in the second stanza. It took 8 plays for Belton to march the 65 yards.

On a second down at the 7 Belton scored and took the lead with a two point conversion 8-7.

With 2:57 remaining in the first half Belton increased their lead to 16-7 on a 5 yard touchdown plunge.

The Belton offense continued to dominate and increase their lead to 23-7 with 1:35 left in the third quarter.

With the 16 point lead the Belton offense began a time consuming drive and captured the come-from-behind victory.

Local Youths Win In Punt, Pass, Kick Test

Cameron had 7 winners at the Punt, Pass, and Kick Contest held Saturday in Rockdale at Tiger Field.

In the 8 year old division, Jimmy Reyes placed 1st. The 9 year old division saw Kyle Kruse capture 3rd place.

In the 11 year old division Trevor Turner placed 1st and Chris Cauley was 2nd.

Cameron swept the 12 year old division with Rufus Floyd placing 1st, Mariano DeLaRosa 2nd and Danny Armstrong 3rd.

Jimmy Reyes, Trevor Turner and Rufus Floyd will advance to zone competition in Bryan, Saturday September 25.

This is the 4th straight year for Trevor Turner to place in the Pass, Punt and Kick contest. The contest was sponsored by Gaither Ford Motors, in Rockdale.

Rodeo Set At Bar-1-Bar

There will be a rodeo at Bar-1-Bar arena starting at 8p.m. Saturday, Sept. 25.

Events will include bareback riding, tie down roping, team roping, barrel racing senior and junior, breakaway roping 45 and over, bullriding.

Books open at 4 p.m. to 8 p.m. Friday, Sept. 24. Call 713-396-2978, Normangee.

Stock producers are Bar-1-Bar and R-4 Rodeo Co.

Sports Spotlight

FORREST GUESS

THANKS. . .

Mike Peck, sophomore photo-journalism major at Temple Junior College, took over his typewriter and covered the Yoe-Belton game last weekend.

Mike, who is the sports photographer for the page, is planning an interesting career in the journalism field. He plans to transfer to The University of Texas for his final two years.

Experience is always worth a few hours of college credit and it gives added dimension to what is expected after college.

Covering the game plus doubling as the photographer is quite a job when the deadline comes so early.

Mike usually works during Friday night and into Saturday morning developing the film, proofing, and then printing the final pictures that I select.

But this past weekend it all rested on Mike's shoulders and I can only say Thanks. . .

GOLFERS. . .

It is the golfers dream to sink that hole-in-one. A dream that doesn't happen to many.

At Hilltop Lakes Lucille Monroe of Cameron sank an ace from the 10th hole. Danny Monroe is the pro at the club.

In tournament play Lucille along with the remainder of the foursome of Tom Maxwell, Beverly Squyers, and Herm Sill finished third with a 68.

REST. . .

The Yoe fence is doing it again. Holding opponents in the first three games to only 14 points, and that's only giving up 4.66 points per game.

As everyone knows that to be in the winning column you must outscore your opponent. The Yoemen, to date, have only scored 12 points and that's 4 points per game.

The Yoemen will have a fense in the coming week. It's only that degree of polish that the Yoemen lack from having a top rated team.

There is no better way of gaining experience, confidence, and polish by playing three top rated teams. The schedule looked fierce before season and has proven out that the Yoemen would need time and hard work before they enter district play.

Now is when the win-loss record counts. Although some think that the first pre-district games give some indication of how the season will fare--I don't so in this case.

A 7-2-1 season topped with a district crown doesn't sound too bad--does it?

CAULEY SAID. . .

"I think that we played good enough to win. We had the desire to win and I even think we deserved to win.

"We just made that one big mistake and it cost us the game. We just cannot continue to make mistakes and expect to win.

"I read that a winning team was an opportunistic team and in our case this was true.

"Whether we made the mistake or they caused us to make it, they have the win on their side.

"Each week I feel that we are improving, but each week we play a little tougher ball club. Against Taylor we did alright and then we improved against LaGrange. Again we did some improving and we went against Belton who was a lot tougher team, and I think we should show some more improvement.

"We have got to get everything ready and we will begin our district schedule against Rockdale.

"You don't have to talk about Rockdale--the kids know all about them and they know they must be ready.

"In Belton we gave everything we had. I don't like to lose, but I know that we did everything we could against them.

"Joseph Schmidt and David Delony did a great job on defense and in fact the entire team had a good night. We have 160-168 pounders going against 215-225 pounders and that makes a difference.

"We are looking forward to playing Rockdale and I hope that everyone will turn out to watch the game. It's going to be the best game in Central Texas."

BOOSTER CLUB. . .

The Cameron Booster Club will not hold a meeting on Monday, Oct. 4.

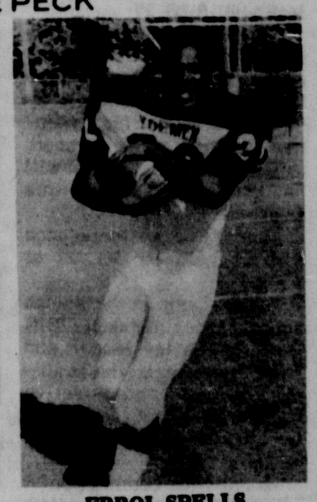

The Yoemen will have an open date and the club will again meet on Oct. 11, according to club president L. W. Turner.

★ Talent Spotlight ★

MIKE PECK

CARL BRADLEY

ERROL SPELLS

Carl Bradley will be the starting offensive center for the Yoemen this season. Bradley will be alternating in at the defensive tackle position.

Bradley will be wearing jersey #52, and stand 5'11" and weighs in at 185. He is a one-year letterman for Yoe High and has participated in football since the seventh grade.

Bradley is a member of the National Honor Society, the Spanish Honor Society, the Senior Class Vice-President, and has participated on the Student Council for two years. Bradley is also a member of the Spanish Club and the Slide Rule Club at Yoe High.

Carl is the son of Mr. and Mrs. Paul Bradley of 801 E. 15 in Cameron.

This past summer Carl spent his time running and swimming to keep in shape and also worked and traveled a bit.

Carl cites The University of Texas as his favorite college team and the Dallas Cowboys as his favorite pro pick.

Errol Spells will be filling the offensive tailback and defensive halfback positions for the Fighting Yoemen this season. Spells is a 16-year old junior at Yoe High School.

Spells will be wearing jersey #20. He stand 5'8" and weighs in at 160. He is the son of Mr. and Mrs. Aaron Spells of Cameron.

Spells has also represented the Yoemen in basketball and is a member of the Choral Club at Yoe High.

During the past summer Spells held down a job, traveled a bit, and spent his free time working out to ready himself to represent the Yoemen this season.

When asked about favorites on the college and pro levels Spells cites the Dallas Cowboys as his pro pick while UCLA is the college team of his choice.

Spells feels that hard work and determination are the key factors in a winning season for the Yoemen.

OBITUARY

Seaton

Funeral for Roy F. Seaton, 58, of Cameron, was at 2 p.m. Monday in Green Funeral Home in Cameron with the Rev. Vernon Dietrich officating. Burial was in Oak Hill Cemetery.

Mr. Seaton died Saturday night in a Temple hospital after a short illness. He was a retired employe of Lone Star Gas Co.

Surviving are one son, Lloyd Seaton of Cameron; two brothers, Othie Seaton of Cameron and Lonnie Lee Seaton of Belton; three sisters, Mrs. Juanita Reisner and Mrs. Patsy Berry, both of Temple; and Mrs. Sheree Papes of Austin; and two grandchildren.

Vogelsang

Funeral for Mrs. Tonie Vogelsang, 88, of Cameron was at 2:30 p.m. Sunday in St. Monica Catholic Church of Cameron with the Rev. John Geiser officiating. Burial was in the church cemetery.

Rosary for Mrs. Vogelsang, who died Friday in a Cameron nursing home, was recited at 8:15 Saturday at Marek-Burns-Laywell Funeral Home in Cameron.

Surviving are two sons, Egon Ernest Vogelsang of Columbus, Tex., and C. K. Vogelsang of Houston; one daughter, Mrs. Irene Mees of Cameron; one sister, Mrs. Owen Weems of Jacksonville, Tex.; 13 grandchildren and 21 great grandchildren.

Rice

Funeral for Howard "Don" Rice, 46, of Houston, was held Sept. 16 at Lawndale Chapel with burial in Lawndale Forest Park Cemetery in Houston. The Rev. Joe Kelly officiated.

Surviving are his wife, Bernice Lucko Rice; sons, Timothy, Gary, and Kevin Rice, all of Houston; his mother, Vergie Rice of Ben Arnold; and five brothers and three sisters. A number of nieces and nephews also survive.

Service Set At Tracy, Cameron

The fifth Sunday of the Kingdomtide season will be observed this Sunday at the worship services at the Tracy and First United Methodist churches. The scripture lesson will be read from Matthew 18:15-22.

Special music will be presented by the Children's Choir that will be directed by Jesse White. The fellowship covered dish family dinner will be held at noon.

The Laymen's Retreat will be held at Lakeview this weekend.

Annual Charge Conference will be held on Oct. 21 at 7 p.m.

James Camp is the church school superintendent. Bill Dase is the lay leader and Fred Hornung is the chairman of the administrative board. Pastor of the church is the Rev. Stanley Vodicka Jr.

World-wide communion will be observed next Sunday. Special music will be presented by the chancel choir at this special annual observance.

Governor Proclaims Volunteer Week

Texas Volunteers will be recognized for their contributions to the growth of various state services during Texas Volunteer Week, Sept. 19-25. The week-long commemoration is being sponsored by 18 state agencies as a means of honoring Texans who volunteer to help in the delivery of services to the public through state government agencies.

In proclaiming Texas Volunteer Week, Governor Dolph Briscoe said, "I am proud to designate a special week to pay honor to the thousands of volunteers who give so much to their state and its people. They give not only of their time and talents, but they give our state services a special, unique quality--the quality of person to person caring and attention.

Gause

Mrs. Wanda Lee

The Gause Community Improvement Program Association has a "Fund Raising Scheme" planned for Saturday, Oct. 2 at the Community Center from noon until 9 p.m. Foods will be available and for those who would like a cake or pie for Sunday, contact Tempie Butler. We will try to fill your order. A thrift shop will feature paperback books, a bakery, groceries, and gifts and a clothes line. Anyone wanting to donate items may put them in a box located in the hardware store. The 4-H club will also have a booth with proceeds from it going to the Mr. and Miss Milam County 4-H contest, that our club is involved in.

The CIP reminds you to have your blood pressure checked Saturday, Sept. 25 between the hours of 10 a.m. and 12 noon at the Community Center. This service is free of charge.

The Senior Citizens van is available to us. If you need transportation please call, Mrs. Edwards, Mrs. Mary Hemphill, or Mrs. Wiley Kirk by Friday, Sept. 24 so a transportation route can be set up.

Mrs. Christine Holcombe, Milam County Extension agent, will present at the Community Center the 3rd and last of a series of meetings, Monday, Sept. 27 at 8 p.m.

We have some new business es in Gause. Nora Walker has opened a Potter and gift Shop on Front St.; and Bud and Callie Walker's new business consist of antiques, pot plants, etc. They moved their camp house up from the farm, painted it brown, and opened the business. She has a bottle collection that is very interesting and they also have some beautiful birds.

Mr. and Mrs. Alfred Coats and children went to Lubbock Saturday to visit with his parents, Mr. and Mrs. Olan Coats. Mrs. Coats is in the hospital and is critically ill.

Johnny Wilson passed away Thursday night in the Temple Veterans Hospital where he had been a patient for some time. Mr. Wilson drove the school bus for a number of years and cut people's lawns. Mrs. Wilson is the cook at our school. Funeral services were held Tuesday.

Mrs. O. L. Harlan, Mrs. Wenona Bailey, and Mrs. Edrie Browder are working with the Milam County Historical Museum Organization to convert the old jail into a museum. Look in the barn, garage, attic, or among your antiques for something Gause may exhibit later.

The school Parent's Club met on Tuesday at 9 a.m. in the school auditorium. The main order of business was to begin plans for the annual Halloween Carnival which will be held Saturday, Oct. 30. The teachers are beginning to get plans together for the program to be held before the carnival starts that night. All future meetings will be held at 2 p.m. on the second Tuesday of the month and parents of the students are strongly encouraged to attend.

Mr. and Mrs. Louie Lange vacationed last week with their son and wife, Mr. and Mrs. Jack Lange. They went on a camping trip on the Texas-Louisiana border.

Mrs. Bertha Holliday and Mr. and Mrs. Maurice Holliday of Texarkana visited this past week with Mr. and Mrs. Earl Hardcastle and Buck. Bob Hardcastle, who is now working and living in Mexia; and Miss Toni Hunt of Hearne visited in the Hardcastle home on Wednesday.

Mrs. Lillie Harris has received word that her brother, C. E. Jones, is ill in the Dilley Hospital.

Mr. and Mrs. Oris Partridge and Mr. and Mrs. Joe Moore Sr. spent the weekend near Waelder where they visited with Mrs. Patridge's sisters, brother, and their families.

J. A. Young is steadily improving since his stay in the hospital. He celebrated his 98th birthday on Sept. 14. Visitors with him and Mrs. Young during this past week included Mr. and Mrs. J. T. Young and Margaret; Mrs. Dorothy Smentana of Cedar Park; Mr. and Mrs. Earl Sutton and daughters of Henderson; Mr. and Mrs. M. L. Palmer of Elgin.

PROGRESSIVE BAPTIST
Rev. J. H. Webb, Pastor
Sunday School 9:45 a.m.
Worship 11 a.m.

My small son looks wonderingly at a bright red cardinal. And, for one instant, I glimpse a bright mind in eager search, the wonder of intelligence dawning. What an awareness of heaven is in my heart as I see my baby reflect God's goodness and love! And what a deep sense of responsibility I feel.

How grateful I am for my church! It has helped me find answers, strengthened my faith. How comforting to be able to guide the religious training of my child as his questions grow in scope and depth!

More than anything else I want to share with him the wealth of love and understanding, joy and strength I have found in the love of God and His Church.

The estimated total cost for construction the curbs and gutters, including materials and labor for the above described portion of Fannin Street is $13,802.50; and the portion of the above total amount of curbing and gutters to be paid by the City of Cameron is -0-; and the portion of the above total amount of curbing and gutters to be assessed the abutting property owners is $13,802.50.

A hearing will be given and held by and before the City Council of the City of Cameron, Texas, on the 19th dav of October, 1976, at 5:30 p.m. at the City Hall in the City of Cameron, Texas, to all owning or claiming any property abutting upon said portion of North Fannin Street and all owning or claiming any interest in such property. At said time and place, all owning or claiming any such property or any inerest therein, shall appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefore, the benefits to the respective parcels of abutt ng property by means of the improvements on the portion of said street upon which the property abuts and all proceedings related to such improvements and proposed assessments therefor, and concerning any matter as to which the y are entitled to hearing. Following such hearings, assessments will be levied against abutting property and owners thereof, and such assessments when levied shall be a personal liability of the owners of such property and a first and prior lien upon the property as provided by the law under which the proceedings are taken, being the Act passed at the First Called Session of the 40th Legislature of the State of Texas, and known as Chapter 106 of the Acts of said Session, and any amendments thereto.

Done by the order of the City Council of the City of Cameron, Texas, this 7th day of September, 1976.

Signed:
J. P. Fuller, Secretary for City of Cameron, Texas

Legal Notice

LEGAL NOTICE

Pursuant to Article III; Section 16 of the Public Utility Regulatory Act and Section 4; 052.01.043-(a), 2, (A) of the Rules of Practice and Utility Commission of Texas, Continental Telephone Company of Texas hereby notices its intent to change rates effective Oct. 16, 1976.

Notice is also given of the Southwest Bellintent to change rates effective Oct. 7, 1976 which will also affect our customers' intrastate billing.

These changes will increase gross intrastate revenues of the company by approximately 16% per year.

A complete copy of both companies new rate schedules are on file with the Public Utility Commission at Austin, Texas. Continental's schedule is also available for public inspection in each of it's business office locations in Texas as well as with each affected municipality.

AVISO PUBLICO

RESUMEN DE
LAS ENMIENDAS PROPUESTAS A LA CONSTITUCION
ELECCION GENERAL DEL
2 DE NOVIEMBRE DE 1976

NUMERO UNO EN LA BOLETA
(S.J.R. 49)

Revocando Secciones 49-d and 49-d-1 del Articulo III de la Constitución de Tejas, S.J.R. 49 enmienda Sección 49-c del Articulo III de la Constitución de Tejas para disponer y autorizar $400 millones adicionales de bonos para el desarrollo de agua en Tejas que se puede emitir a la aprobación de dos terceras partes de los miembros de cada cámara de la Legislatura para tales fines de desarrollo del agua que la Legislatura pueda prescribir.

La enmienda contiene prohibición específica contra el uso de fondos del estado para el desarrollo de recursos acuáticos del Rio Mississippi y también requiere que antes de que pueda encargarse de cualquier proyecto particular para el desarrollo de agua que requiere un gasto de mas de $35 millones de producto de los bonos, debe de ser aprobado por resolución de la Legislatura.

La enmienda remueva el requerimiento constitucional que ciertas rentas deben de ser usadas para retirar bonos para el desarrollo de agua y el encarecimiento de la calidad de agua y remueva el límite constitucional de la tasa de interés en tales bonos.

La fraseología de la enmienda propuesta tal como aparecerá en la boleta es lo siguiente: "La enmienda constitucional autorizando un incremento de $400 millónes de la cantidad de Bonos del Desarrollo de Agua en Tejas que podrán emitirse al ser aprobada por dos terceras partes de la legislatura; enmendando y consolidando disposiciones de Secciones 49-c, 49-d, y 49-d-1 del Articulo III de la Constitución de Tejas; y revocando Secciones 49-d y 49-d-1 del Articulo III de la Constitución de Tejas."

NUMERO DOS EN LA BOLETA
(H.J.R. 99)

H.J.R. 99 propone una enmienda a la Constitución de Tejas para aumentar de $100 millones hasta $200 millones la cantidad principal agregada de bonos para el desarrollo de agua en Tejas que se puede emitir y que están en circulación por el Texas Water Development Board para proveer donaciones y préstamos para la mejoría de la calidad de agua como establecido por la Legislatura. La fraseología de la enmienda propuesta como aparecerá en la boleta es lo siguiente: "Una enmienda constitucional para incrementar desde $100 millónes hasta $200 millónes la cantidad de Bonos de Desarrollo de Agua en Tejas que podrán ser emitidos con el propósito de mejorar la calidad del agua."
